Loss and Damage

For all rentals at Canadian locations pursuant to this Agreement, the renter or authorized driver shall be responsible for all loss and damage to the rental vehicle as outlined in the applicable standard Rental Agreement in effect at the time of rental. The renter may elect to reduce responsibility for loss and damage costs by complying with the applicable standard Rental Agreement terms and conditions and accepting and paying for National's Loss Damage Waiver option or Peace of Mind Package at the time of rental.

Liability Insurance

For all rentals at Canadian locations pursuant to this Agreement, National provides third party liability insurance, which is equal to the minimum provincial liability coverage in all Canadian provinces and territories. Since this coverage is considered statutory, the limits could change depending upon the legal requirements placed on National to operate car rental facilities within Canada.
