CONSTRUCTION INFORMATION

Providing unparalleled access to projects across Manitoba

As your **trusted source for project information for more than 100 years**, our dedicated team is devoted to informing you of all types of construction opportunities in Manitoba, including private, public, construction management, design build, sub-trade requests, RFP, P3 and all types of ICI and civil work, ensuring you get a second-to-none access to construction opportunities through WCA's two products, BuildCast and BuildWorks.

Be ready for when tenders are issued with WCA BuildCast, our exclusive weekly pre-bid publication for upcoming projects. BuildCast covers all design phases from public to private work ranging from \$50,000 – over \$1 billion. The weekly report, delivered directly to your inbox as a WCA Member, allows you to plan, schedule and budget – setting you up for success.

Bid on projects with our robust construction work platform – WCA BuildWorks. BuildWorks allows you to search for the right projects based on your scope of work and location and much, much more.

Visit the bid calendar page on our website to see the types of projects WCA BuildWorks gives you access to.

Did you know?

In 2021 WCA posted 2,273 projects in BuildWorks - the most in over five years.

In 2021 WCA reported 2,102 projects in BuildCast

You can get started with BuildWorks through training videos that are posted to WCA's website under Resources.

BuildCast and BuildWorks orientations are offered periodically throughout the year. Check the upcoming courses page for the upcoming dates.

Supplying crucial construction documents, contracts and guides

As your local industry association, WCA participates in the development of standard construction documents. WCA members are encouraged to use CCDC and CCA documents whenever possible. These documents are all for sale on our website – and you can be sure you're getting the best deal possible with **WCA member pricing**.

CCDC DOCUMENTS:

The Canadian Construction Documents Committee (CCDC) is a national joint committee responsible for the development, production and review of standard Canadian construction contracts, forms and guides. The full complement of CCDC products and seals can be purchased from WCA.

CCA DOCUMENTS:

CCA helps you simplify the way you conduct business and save time and money with its standard contract documents that are up-to-date, easy to understand and familiar to all parties.

CDBI DOCUMENTS:

One of the objectives of the Canadian Design-Build Institute is to recommend 'best practices' policies and procedures to support design-build utilization. It is therefore a priority for the institute to develop a practice manual that provides guidance and recommendations on the successful delivery of design-build.

EDUCATION

Helping you build your knowledge, skills and business

We know you have options when it comes to industry education. At WCA we're committed to being your one-stop shop for Industrial, Commercial and Institutional (ICI) construction education, bringing you the best facilitators from across Canada and the United States in a welcoming, comfortable environment where you'll have the opportunity to connect with industry peers. **That's the WCA advantage.**

Take advantage of all WCA has to offer:

- ▶ Learn from world-class facilitators with real industry experience
- ▶ Actively participate in courses for more effective learning
- ▶ Build relationships by networking with classmates
- ▶ Join us in-person, in a virtual classroom or for e-Learning
- ▶ Enjoy our state-of-the-art Education Centre

Did you know?

WCA Members get savings of 25% on every WCA Course - that can easily cover the cost of your membership by itself!

WCA Education has something for everyone in the industry - no matter what your role is, you'll find something to help you build your career.

If you can't find what you're looking for, reach out to us. Courses that aren't on this year's schedule may be available again, or by request.

EDUCATION

Supporting your career development journey

Learning and knowledge are great, but to truly advance your career you want to be able to prove you've put in the hours to improving your skills. WCA courses offer credits and professional development hours for a number of designations including:

- ▶ Gold Seal Certification
- ▶ Manitoba Association of Architects
- ▶ AGC Certificate of Management - Lean Construction
- ▶ Project Management Institute
- ▶ Certified Construction Contract Administration
- ▶ Canadian Healthcare Construction Certificate
- ▶ Dale Carnegie
- ▶ Building Supervisors for Tomorrow (BST)
- ▶ Building Supervisors into Leaders (BSL)

GOLD SEAL CERTIFICATION:

The Gold Seal Certification (GSC) program is nationally recognized certification and the industry standard. Earning your GSC demonstrates to your peers, colleagues and the construction community that you have what it takes to lead and execute with excellence. In order to earn your Gold Seal, you'll need the required industry work experience and educational credits along with a passing mark on the exam.

[Click for more information on Gold Seal Certification:](#)

Did you know?

Every WCA course earns you Gold Seal credits.

WCA offers mandatory Gold Seal Courses.

WCA is your Gold Seal Coach, We're here to support you from the application process to the exam.

BST and BSL are both fully owned and operated by WCA.

ADVOCACY

Ensuring your voice is heard by government

WCA is **your voice at the table** with all levels of government. Our representatives are active at the WCB, Apprenticeship, Building Standards (Building Code) Board, and Winnipeg Building Commission among others. You can be sure – if it affects your business, we’ll be there advocating for you. We meet regularly with government officials on a variety of issues, including:

- ▶ City of Winnipeg Permit Department Reform
- ▶ City of Winnipeg Construction Contract Language
- ▶ Construction Industry Wages Act
- ▶ Election Financing Act Reform
- ▶ Limitations Act Reform
- ▶ Prompt Payment Policy/Legislation
- ▶ COR as condition of contract
- ▶ Investment in Infrastructure
- ▶ Apprenticeship
- ▶ Other issues and concerns as they arise

If you have any concerns in these or other areas, or want to add your input, please get in touch with us at wca@winnipegconstruction.ca.

Follow us on Twitter and LinkedIn to keep up with our work with industry and government:

Did you know?

As a WCA Member, you are also a member of the Canadian Construction Association.

CCA is our national lobbyist in Ottawa advocating for federal infrastructure spending, fair taxes, open procurement, and free trade. With over 20,000 construction company members, CCA has a loud and respected voice on Parliament Hill.

EVENTS

Creating fun and exciting networking experiences

Networking is extremely important in the construction industry - you never know which of your contacts will lead to a new project, a new business partner or simply a good friend.

WCA throws events you'll actually want to go to! Our team puts together great opportunities to network with other industry members all while having a great time. Don't miss out, join the party!

GROUP BENEFIT PROGRAM

Offering valuable group benefit programs for construction

As a WCA member you have access to individually designed benefit programs with rates lower than those available to individual firms outside of the association. This unique construction plan has also been designed with convenient lay-off provisions to accommodate the needs of the construction industry. All plans are managed by our partner, Ellement Consulting Group.

PLAN MEMBER ADVOCACY™

PMA eliminates tedious administration work from your team's to-do list, and removes the liability inherent in employer involvement in the claims process by working directly with your employees on claims inquiries. This is an award winning benefits plan.

THE ASSOCIATION DIFFERENCE™

Saving you valuable time and money. The pooled association plan is the most flexible, comprehensive and competitive benefits plan on the market for construction.

Reach out to Ellement Senior Account Manager Kerry McWhinney at kerry.mcwhinney@element.ca to explore your group benefit options.

Did you know?

Many participating WCA members have remained in this powerful value driven member benefit plan since 1982.

Some WCA members have signed up for membership solely to access this benefit.

Benefits plans can help you recruit new employees and retain experienced ones.

INITIATIVES

Creating a solution for the skilled trades shortage

Be part of the solution to the skilled trades shortage by participating in the association's annual Manitoba Construction Career Expo! The expo is an annual event held at Red River Exhibition Place, designed to encourage students in grade 9 to 12 to explore their future in construction. The exciting and extremely popular event features an entirely interactive experience with hands-on demonstrations in over 30 skilled trades in construction including masonry, carpentry, roofing, concrete finishing, electrical wiring and painting, among others.

With Manitoba's construction climate creating a wealth of career opportunities, and the current shortage of skilled trades people, now is the time to introduce students to the vast, profitable, and rewarding careers in construction!

MANITOBA
**CONSTRUCTION
CAREER EXPO**

Interested in participating? Get in touch with us to express your interest in participating in the next Manitoba Construction Career Expo:

communications@winnipegconstruction.ca

Did you know?

2,000 high school students get the chance to try out the Career Expo every year.

The expo is 100% FREE for students and schools, reducing barriers for those who might otherwise not be able to attend.

In 2023 WCA will be supporting the Skills Canada National Competition with it's 'try-a-trade' initiative. This will be like a Career Expo on steroids - they're expecting over 10,000 students!
