About WCA

Winnipeg Construction Association (WCA) is an incorporated, not-for-profit trade association representing commercial contractors and suppliers throughout Manitoba. We currently have more than 700 member firms, including manufacturers, suppliers, financial institutions, lawyers, insurance and bonding companies and brokers.

We offer a variety of valuable services to our members, including valuable construction information, education sessions designed specifically for the ICI construction industry, networking events where members can have fun while growing their business contacts, and advocacy with all levels of government as it pertains to the construction industry.

We are the most trusted source of construction information, and have been for over 100 years. Our dedicated team brings you 2,000-2,500 projects per year. As Manitoba's largest construction association, we play a strong role in advocating for the industry at all three levels of government. We strive to help create the best possible business environment for our members.

The Magazine

Build Manitoba is the official publication and voice of Winnipeg Construction Association (WCA) and is the most reliable source of information and insights focusing on the main priorities of the organization. WCA works to hold the construction conversation wherever possible with its portfolio of products and services designed to reach key players involved in the industry.

Build Manitoba is a vital source for WCA members, providing key industry information and analysis on the latest issues, projects, training and events. This magazine is an excellent means of communication within the industry, providing not only a forum for corporations and service organizations to interconnect, but also delivering the latest news, updates, profiles, case studies and detailed trends.

CONSTRUCTION INFORMATION

At the core of what we do is construction information, which we provide through two platforms, WCA BuildCast and WCA BuildWorks.

BuildWorks is our accurate, reliable and timely online platform. In 2021, BuildWorks posted 2,273 projects.

As an owner or contractor, by hosting your project on WCA BuildWorks, you:

- ▶ Gain greater visibility and the most competitive prices from capable contractors.
- ▶ Have a one-stop shop for project plans, specs and addendums.
- ▶ Expose your project to a maximum number of quality contractors.

As a sub-trade, supplier or service provider, you gain access to a platform for project bidding opportunities for:

- ▶ Upcoming opportunities.
- ▶ Private projects you won't find on other platforms.
- ▶ Our 700 members that provide you with premium procurement and business development opportunities.
